

Path - August 2008 Report

Thanks to the PATH members that showed up at Stony Fork to work. The following worktrip report is compiled from work descriptions submitted from Group leaders Chris Bracknell and Dwight Levi. Many thanks to these two individuals for their leadership this past weekend on the worktrip. Many thanks goes out to Walt Davis who was in charge of the Saturday evening PICNIC. Thanks again Walt, Dwight and Chris!!!
I hope that I have reported everything correctly.

Workers:

Chris Bracknell - 2, David John - 2, Dwight Levi - 3, Scott Freeman - 3, Walt Davis - 2, Martha Emrey - 1, David Faucette - 1, Becca Hughes - 1, Jeff Brown - 1, Matt Brown - 1, Doc Branham - 1, Barry Hester - 1, Friend of Barry's - 1, Betsy Truscott - 1?, Marcia Cope - 1?.

Work Completed:

Friday - Chris Bracknell and David John picked up tools and the mower from Sugar Grove and weed whacked the area behind O'lystery, puncheons at Arten Repass's, and cut blowdowns from river S to 610, cut multi-flora roses, etc.
Saturday - Cut with mower area meadow around Groseclose, boardwalk, area N of Davis Valley Rd, and meadows N of Settlers Museum to Kegley Property.
Friday, Saturday & Sunday: Dwight Levi and Scott Freeman Camped at Davis Farm and debriared, limbed, filled stump divots on the Garden Mt. section of trail. They reported that the spring was flowing ever so slowly but the cistern was full.

The September 20th worktrip will be centered around Stony Fork again. The weather should be cooler and Atilla will be going up early Monday or Tuesday. If you wish to join him early he will welcome you with open arms. Look for the pink flag on my campsite hopefully next to the river site.

Respectively submitted by,
