

PATH 70 Mile Club

PATH maintains 70 miles of the Appalachian Trail from VA 670 at the South Fork of the Holston River in Smyth County, VA to US 21/52 in Bland County, VA. As a means of encouraging PATH members as well as our guests to “know our trail”, we have created the “70 Mile Club” hikes. Each hike has been designed as a day hike but could become an overnight adventure if so desired. Hikes are generally described in the direction that allows the hiker to follow the “path of least resistance” or has been determined to be the easiest route. Person who have registered and meet the requirements and then hike the entire 70 Miles will be rewarded the displayed patch and recognition at the Fall Trail Neighbors banquet. Hikers may use the suggested hikes to complete the 70 miles or create their own strategy to

become a member of the “70 Mile Club”. Check PATH’s scheduled hikes as the “70 Mile Club” hikes will be included. To sign up for the club, simply email luv2hikva@gmail.com and complete the short questionnaire that will be returned to you and comply with the stated terms. Share your progress and learn of additional opportunities for hikes, join with others to find hiking partners and carpool and learn of the progress of other participants by sending hike completion information to luv2hikva@gmail.com.

Date Completed GB indicates the Section of the ATC Guidebook where details of the route may be found

_____	Hike 1 – (N to S) Va 16 (3,220’) Mt Rogers HQ GB Sec 41 TO Va. 670, South Fork Holston River (2,450’) GB Sec 41	7.9 miles
