

September 2014 Path Volunteer Work Trip Report.

The following people showed up for work at Desert Dog:

David Faucett - 1

David John - 1

Drew Jones - 1

Ed Martin - 1

Josh was at work site when we arrived. We had a great day! I lopped and sawed with one hand. I also placed flags in problem areas to be reworked, walked out with Josh to show him what I wanted re-done, he agreed.

Tom Dillon was late getting to Stony Fork, he didn't know where we were working, so worked his own section. I am sure Kay and Charlotte will report their day to you.

Walt, Charlene, Ann and her grandson hosted our wonderful pot-luck dinner.
