Subject: Konnarock week-1 pictures.

Good cool weather for side hilling.

May 1-6, the Konnarock Super Crew finished 850' of trail re-lo, on Little Brushy Mountain, & never left Smyth County.

A couple of nice reverse curves & scenic, around the spur.

We had 10 crew, along with 2 leaders & 2 assistant leaders.

Jim worked crew & Janet helped David in the kitchen. Konnarock crew really enjoyed the PATH Burger Saturday meal, prepared by Janet & Jim.
