

### **October 2011 Volunteer Work Trip Report**

Your October work trip report was delayed by vacation, house prep work, electrical installation, painting, leaf blowing and computer Failure. Procrastination had a little to do with it also. We had 20 people show up for the work week. Walt and Charlene once again put on a wonderful feast. Jim and Bill left early and missed the meal. Once again many thanks to those that showed up for the meeting on Wednesday and to those that were able to show up during the week. One of the reasons that Jim and I come up early is to accommodate those that cannot show up for Saturday work. Thanks again for all that you do. This also includes those that are not available for physical work but take on the many other tasks that the club has taken up.

#### **Work Done:**

Tue- walked 670 N to overlook, installed new AT sign at 670, picked up repaired weed wacker, went BF food shopping

Wed- USFS,ATC,Path meeting, moved logs into place for waterbar work on Saturday on 622 N, which turned into Friday work

Thur- 11 water bars cleaned and rehabbed from 670 N, drainage ditch dug & hopefully improved to divert water from spring on trail

Fri- 20 water bars installed, cleaned up and dressed up for future cowetta dip - 622 N, we will allow the water bars to deteriorate and gradually make dips out of them. (good idea- Jim). Since it rained this day and we were originally going to do this on Saturday we switched work sites.

Sat- Did briar removal from US-11 to kegley property. Cutting briars, Hawthornes, Banberry. Will have to return in March when blackberries are frosted back. Discussed how to repair wobbly section of Beaver Dam 2 bridge. Martha, David, Anne, Walt and Charlene did briar removal and lopper work at Davis Cemetery.

Previous Weekend work: Ed, Stan, Nathan, Ed, Brittany and Adam worked from 622 to base of Lynn Camp Mt.
