

## October 2008 Path Worktrip

Very nice and cool weather, rainy Friday, delicious Saturday evening meal. Susan, Bill, Walt & Charlene did a wonderful job of catering to the Saturday evening meal. Everyone had a great time. The fall colors were exquisite and the camaraderie was great. Thanks go out to everyone in attendance. A special thanks to Susan and Bill for closing up on Sunday morning. It was gratefully appreciated by Atilla.

Path welcomed with open arms two new members - John and Sherrie Dees from Fayetteville. We have got to keep Sherrie in the kitchen crew. She prepared some fantastic meals along with Walt and Charlene. She and John even treated us to a Friday evening meal. THANKS!!

Those in Attendance were:

Bill Boudman 5, Charelene Davis 4, Walt Davis 4, Dwight Levi 1, John Dees 1, Sherri Dees 1, Tom Dillon 1, Bill Helms 2, Susan Andreato 2, Stephen Fishback 2, Mark Stanley 1, Chris Bracknell 3, Kim Mitchell 1, Andrew Mitchell 1, Martha Emrey 1, David Emrey 1, Ed Martin 1, Ann Ransey 1.

Work Accomplished:

1. Crew led by Tom Dillon painted blazes, lopped and cleaned water bars from 601 to 670
2. Crew led by Andrew Mitchell painted blazes, built 2 check dams, 1 water bar, cleaned out 3 sets of rock steps, and cleaned water bars from Settlers Museum to 86.
3. Crew led by Dwight Levi and Chris Bracknell installed 2 new water bars and 5 check dams in finishing up the eroded area in Crawfish Valley near Reed Creek.
4. Crew led by Hammock Dwelling Atilla rested well between water bar installation (4) and cleaning and rehabbing several near the power lines at 601. All came back well rested but some what dirty. Oh! Did I forget the use of the sledge hammer.
5. Martha and David Emrey re-painted the white blazes from 81 to Red barn Restaurant to stile, White blazes 1/2 way to Davis Path Tent Pad- Vaughn Thomas Tent Pad, Blue blazed to spring at Davis Path, white blazed from 610 to Hawthorns at Mud Creek and Blue blazed to dry spring near sink hole and then dinner with PATH.
6. Martha and David took Charlene and Walt to West Virginia to shag dance or what ever. Very late night!
7. Walt, Charlene and daughter Anne Ramsey Weed whacked, painted, lopped and exterminated those every friendly hawthornes from 81 to 617.

End of Report. I hope I included everyone and all work done. It was a very enjoyable and relaxing week. Chris Bracknell took notes at the Thursday Meeting and will be reporting shortly on the happenings. See you all in November. Remember the meeting is on Saturday November 22.
