

### **June Vol weekend and Summerfest**

Wednesday afternoon several of us gathered at the Sugar Grove Tool Barn.

We had planned to stay overnight at the Konnarock Trail Camp, but as things turned out, the camp was full of volunteers & several had the 'Stomach Bug', so we camped at the tool Barn.

Thursday morning, Sylvia woke up & had the Bug. She self-isolated & the rest of us packed up & bugged out for Tilson.

We set up camp & for dinner, Sweet Willy & his kitchen crew Prepared 'Sylvia's 50th PATH Anniversary Chicken stir fry with rice'. Around 6 pm, we hiked the A.T. up Walker Mountain to Tilson Gap & back down via the old Turnpike.

Friday & Saturday crews went out to Jenkins Shelter, Poor Valley, Lynn Camp & Knot Maul.

Saturday after dinner we had 'Cake by Martha Emrey'. A 50th PATH anniversary cake & a run cake. Yum, yum.

Sunday with weather moving in & PATH members moving out, we packed up camp.

29 volunteer workers/560 volunteer hours.
