Saturday Oct-20th, Buford & his buggy hauled Steven Fishback (aka, Lord of Chestnut & the section maintainer), Will Merritt, Jenny Williams, Andy Brown & Jeff Brown up to Chestnut Ridge.

Mark Stanley hiked in from Poor Valley to join them. This, "over the hill & up on a ridge" crew cleared trees & brush above the spring box at the pond in an effort to increase the water flow.

They also cleaned up & cleared the view from the Chestnut Knob Shelter into Burkes Garden.
